Start With Medicare Basics

Know how Medicare works, then choose what works for you

Original Medicare is provided by the federal government. It offers coverage for:

Hospital stays and inpatient care.
This is called Part A.

Doctor visits. This is called Part B –
you pay a monthly premium for it.

Original Medicare does NOT include prescription drug coverage

Prescription drug coverage. This is called Part D and is not included with Original Medicare. You are not required to enroll in a Part D plan when you first become eligible for Medicare. If you enroll in a Part D plan in the future, then you will pay a penalty equal to about 1% of the average monthly premium for each month you delayed enrollment. This must be paid monthly as long as you are enrolled in Part D. This is called a Late Enrollment Penalty (LEP).

Depending on your needs, you may want to add more coverage to Original Medicare

Additional coverage is offered by private insurance companies, such as UnitedHealthcare. You have a couple of different options to choose from:

Option 1: Enroll in a Medicare Advantage plan

Called Part C

This type of plan combines Part A and Part B. Most Medicare Advantage plans also include Part D, so your hospital, medical and prescription drug coverage is all in one plan

Extras

Some plans may include extra benefits not included with Original Medicare

Option 2: Add one or both of these to Original Medicare

Medicare Supplement

Helps pay for some of the costs not covered by Original Medicare

Medicare Part D plan

Helps pay for prescription drugs and helps you avoid that 1% penalty

Use this book to get familiar with and enroll in a Medicare Advantage plan. Speak with your agent if you are interested in a Medicare Supplement or stand-alone Part D plan.

Enroll in a Medicare Advantage Part C Health Maintenance Organization — Point of Service (HMO-POS) plan

This plan gives you access to **more than one million network providers**¹ across the country—including top doctors and specialists—with no referrals needed. Take advantage of our national network for your plan’s lowest out-of-pocket costs.

Your plan does not cover medical care from providers outside our network. However, you have access to see dental providers inside and outside of the network. Check the Evidence of Coverage for information on which dental services the plan covers out-of-network.

Here’s how this HMO-POS plan works

Always see network providers for your care. The plan does not cover medical care from providers outside our national network, except for emergency care, urgent care and renal dialysis services.

Emergency and urgently needed services are covered no matter where you go.

Select a primary care provider (PCP).

This plan requires you to select a PCP in your plan’s service area to oversee and help manage your care.

No referral is needed to see a network specialist or other provider.

You pay your plan copay or coinsurance when you visit a network provider*.

If you see a provider outside the network, you will have to pay the full cost for services yourself, except for covered dental care.

There’s an out-of-pocket spending limit for network care each plan year.

If you reach your limit the plan will pay 100% of your costs for Medicare-covered services for the rest of the year.

Remember, you are not required to enroll in a Part D plan, but if you don’t, you will pay a penalty equal to about 1% of the average monthly premium for each month you delayed enrollment. This must be paid monthly as long as you are enrolled in Part D.

¹Network size varies by market and exclusions may apply.

*Plan copay or coinsurance amounts apply. You can find a complete listing of network providers and facilities within your plan on our website. Please refer to the Summary of Benefits and Benefit Highlights for more complete plan information.

Are you eligible to enroll in this plan?

You are eligible to enroll in this Medicare Advantage plan if:

- ✓ You are enrolled in Original Medicare Parts A and B, and continue to pay your Part B premium
- AND
- ✓ Live in the plan's service area

Medicare Advantage Plans (Part C) and Cost Plans

Medicare Health Maintenance Organization (HMO) Plan — A Medicare Advantage Plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. In most HMOs, you can only get your care from doctors or hospitals in the plan's network (except in emergencies).

Medicare HMO Point-of-Service (HMO-POS) Plan — A Medicare Advantage Plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. HMO-POS plans may allow you to get some services out of network for a higher copayment or coinsurance.

Medicare Preferred Provider Organization (PPO) Plan — A Medicare Advantage Plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. PPOs have network doctors, providers and hospitals but you can also use out-of-network providers, usually at a higher cost.

Medicare Private Fee-For-Service (PFFS) Plan — A Medicare Advantage Plan in which you may go to any Medicare-approved doctor, hospital and provider that accepts the plan's payment, terms and conditions and agrees to treat you — not all providers will. If you join a PFFS Plan that has a network, you can see any of the network providers who have agreed to always treat plan members. You will usually pay more to see out-of-network providers.

Medicare Special Needs Plan (SNP) — A Medicare Advantage Plan that has a benefit package designed for people with special health care needs. Examples of the specific groups served include people who have both Medicare and Medicaid, people who reside in nursing homes, and people who have certain chronic medical conditions.

Medicare Medical Savings Account (MSA) Plan — MSA Plans combine a high deductible health plan with a bank account. The plan deposits money from Medicare into the account. You can use it to pay your medical expenses until your deductible is met.

Medicare Cost Plan — In a Medicare Cost Plan, you can go to providers both in and out of network. If you get services outside of the plan's network, your Medicare-covered services will be paid for under Original Medicare but you will be responsible for Medicare coinsurance and deductibles.

Stand-alone Medicare Prescription Drug (Part D) Plan

Medicare Prescription Drug Plan (PDP) — A stand-alone drug plan that adds prescription drug coverage to Original Medicare, some Medicare Cost Plans, some Medicare Private Fee-For-Service Plans, and Medicare Medical Savings Account Plans.

Other Related Products

Medicare Supplement (Medigap) Products — Insurance plans that help pay some of the out-of-pocket costs not paid by Original Medicare (Parts A and B) such as deductibles and coinsurance amounts for Medicare approved services.

Dental/Vision/Hearing Products — Plans offering additional benefits for consumers who are looking to cover needs for dental, vision, or hearing. These plans are not affiliated or connected to Medicare.

Hospital Indemnity Products — Plans offering additional benefits; payable to consumers based upon their medical utilization; sometimes used to defray copays/coinsurance. These plans are not affiliated or connected to Medicare.

Enrollment checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Customer Service Representative at the number listed on the back cover of this book.

Understanding the Benefits

- ✓ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit our plan website or call to view a copy of the EOC. Our phone number and website are listed on the back cover of this book.
- ✓ Review the Provider Directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ✓ Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- ✓ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ✓ Benefits may change on January 1 of each year.
- ✓ Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you will pay a higher copay for services received by non-contracted providers.
